

WINTER WORKSHOP

Two day botanical watercolour workshop on July 6 & 7, 2018

Since childhood Steph Goss has always loved to draw and paint fruit. Many years later when she moved to the Macedon Ranges, Steph joined the Botanical Art School of Melbourne where she learnt many technical drawing and water colour painting skills. She has conducted workshops there for many years as well as other major cities and regional areas. Steph is a great tutor with fun built in. www.fruitta.com
